MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: United States Army Garrison Mannheim Command Policy # 10, Support for the Department of Defense (DoD) Civilian Priority Placement Program (PPP)

1. Reference. DoD Priority Placement Program Operations Manual, Civilian Personnel Management Services, July 1998.

2. The DoD Priority Placement Program (PPP) is designed to provide continuity of employment by providing placement opportunities for eligible employees in the overseas area (including family members) who are returning to the CONUS after completing their overseas tour. The PPP is a valuable placement tool and has served us exceptionally well through the years.

3. Applicability. This memorandum establishes policy for employees of the United States Army Garrison (USAG) Mannheim who are eligible for PPP.

4. Responsibilities. We owe it to our employees to ensure they make a successful transition to CONUS. Supervisors will:

a. Ensure all eligible U.S. civilian employees are given the maximum opportunity for placement through the PPP.

b. Ensure employees are given the time needed to register properly in the PPP and to attend PPP related appointments.

c. Assist as needed to ensure accomplishment of all out-processing requirements.

5. The proponent for this policy is the USAG Mannheim Directorate of Human Resources at DSN 385-2478/CIV 0621-730-2478.
